A CLERGYMAN'S VIEWS

The Difficulty of Discussing the Labor Question in the Pulpit.

People of wealth would like to have us influence the wage-earners by making them contented. They blame us because we do not do of the working-class.

But if we do this, what is the result? The wage-earners say that we are speaking in the interest of with belonging to the upper classes; they tell us that we do not know the that I had spoken through the gest that we stay with our own On the other hand, when speak

ing of the social problem to the

wage-workers, the latter element would like to have us denounce the should lay heavy stress on the crimes of all corporations. They would have us constantly point out we do this, then the wealth-owners of the world accuse us of taking sides with the laboring class. They tell us that we do not know what we are talking about; that we are pusuing a line of senti-

let the labor problem alone and The perplexity is great. The difficulty for us as clergy is that we cannot take up exclusively the cause of any one class; and yet it is so very hard to have any influence unless one class does recognize us as belonging just to themselves. - Rev. W. L. Sheldon

ment rather than a straight course

THE WIFE'S NAME SACRED.

in the Journal of Ethics.

Mr. Cleveland has written a letter disapproving of the use of his wife's name by the Frances Cleveland Influence Club of New York. He claims that the name is too means so much to him as wife and him great credit, and will be echoed in the heart of every true woman in the land. Besides, while Grover is fully aware of the importance of woman's co-operation. he knows that the battle of next November is to be fought on other
